

REMEMBER S. MARX'S FAMOUS DRY GOODS HOUSE.

We are constantly receiving bargains for every one. What is the use of wasting a dollar when you can save it. The house that places before you stubborn and unyielding facts and figures--that solicits your attention, not through FAVOR OR PRETENSE, but prices that will teach you in the silent logic of truth, the difference between dealing with live and dead men. Our business is conducted upon new advanced ideas, crowding out the old-pluck instead of luck--cash instead of credit--brains in the place of cheek--and science and ability beating back and crushing into oblivion these moonshine merchants with their tough and tremendous long time prices.

CLOTHING. CLOTHING. CLOTHING.

We shall lead the season by offering a stock that has never been equaled in either of a city. Suits that are perfect in fit and perfect in workman ship. Suits for the young, the old, the short, the tall, the large and small. We call special attention to our children's suits, of which we have a nice assortment. Dry Goods, Shoes, Hats, Furnishing Goods, &c. We shall continue to sell at the lowest prices. Don't hesitate--call on us when you need anything in your line. WE WILL SAVE YOU MONEY. You may search the record of fancy and fiction for a parallel to the sublime audacity and confident courage with which we placed the beautiful new sign that adorns our building; we planted it there with the determination that it should remain, not only as a sign of low prices, but also as a crusher to competition and opposition. It is the sign that even chokes to death the periodical infernal that buys to break and only breaks to swindle.

Remember that we Advertise Bargains and that we give Bargains.
